

FUNERAL POLICY FOR HOLY ROSARY PARISH

Effective November 1, 2017

The funeral Mass of a Christian is a community celebration of the new life the person was called to enjoy with God for eternity. The prayers, readings and songs of the liturgy emphasize the death and resurrection of Jesus and His promise that He has gone to prepare a place for us when “our time has come to return to the Father”.

These guidelines emphasize this sense of Christian community at prayer and the great human and spiritual support it gives to the family of the departed.

Offering for funeral services at Holy Rosary:

Parishioner: \$250.00 includes a 1 hour visitation prior to the funeral mass.
\$400.00 if the family requests visitation in the church on a day other than the day of the funeral. Visitation times will be 4PM – 8PM
A parishioner is a person who is presently registered and contributes financially to Holy Rosary parish.

Non-Parishioner: \$400.00 includes a 1 hour visitation prior to the funeral mass.
\$550.00 if the family requests visitation in the church on a day other than the day of the funeral. Visitation times will be 4PM – 8PM
